Are you sure you're not an ELLEgirl's dad leaping through his daughter's mag? We find it hard to believe that a true EG chick would have so much to learn about the finer points of style. We agree that fashion isn't everything, it's just most things. But style slackers can rest assured they've come to the right place for a masterclass. Pour over our painfully hip pages and you'll be a die-hard member of the Style Mafia in the clicking of a Jimmy Choo stiletto.
